“ Uncle Larry was someone we all looked up to,he was so strong,and kind,and rough when he had to be.Being a Cubs fan I always thought it was pretty cool that he tried out for the Cubs before he was drafted into the service.Four years in the air force with many a missions over Germany,he was a true hero in my eyes.The last few years we all became closer because we did a movie night once a month to usually celebrate a family members birthday,and Uncle was always here with us,and holidays too,He will be missed by many family and friends,but it was time for Uncle to join God,he knew it was his time to go to heaven.There is no where else someone like him could ever go.He was good and kind to everyone that crossed paths with him.Rest in Peace Uncle Larry,you will always be loved and remembered by our family.Thank you Uncle for letting us be part of your family.Tony Del Medico
