“ *Our family had the privilege of knowing Agatha. She was a warm, caring, generous lady. She had a great smile & hearty laugh. I always enjoyed visiting with her & her sense of humor was priceless. She had a gift of sharing thoughts/ feeling by writing letters. She wrote me such a nice letter for my 60th surprise birthday party which was just a few months after Bob died. We shared that of being young widows & missing our loving husbands. She share her deep faith, love of Jesus & trust in God thru trying times such as loss of loved ones. The people we love live on in our hearts. We will always have the memories of everything that they have said & done. May all of your family feel the loving arms of Jesus now & in the days, weeks, months ahead.
Much love & prayers

“ Dearest Scanio Family - I have known your mom most of my life and she was like a second mom to me. There were two things she held most dear in her life - her family and her faith. She was loving and generous. Remember all of the good times and be comforted in knowing that she is at peace now and out of pain and on her new journey accompanied by your dad. May God be with your family now and always. Love to all of you.
