“ Alanna was in my 4th grade class! I truly enjoyed her for who she was. She was a good student in her academics, and enjoyed the art and PE even more. I loved the Fact that she didn't just take what you said and was happy. She needed to understand the why first. She had a great sense of humor, and some very nice friends, especially Jill. I don't know what happened, but the world has lost a great soul! Fondly, Mrs. Quigley

*PS My prayers go out to mom,dad, and Jack!*

*Dear Alana,*

*It was only a week or two ago that you, Brad and John helped me pick fallen apples from our tree and afterward we all went out for ice cream. The time I knew you seems gone in a blink, but in that time, I felt you were a beautiful soul full of light and promise. I wish you knew how you affected others with your beautiful smile.*
