“ I have many fond memories of working with Aldo and talking with him. I will always remember the late nights I spent at the District office when I was involved in the union. A few of us would have to stay late and wait for the board to come out of closed discussion. Aldo was the custodian on duty who had to close up. So we were able to get to know each other as we passed the time talking.

“ Worked at District 89 with Aldo for 14 years. The man was a really good co worker and was always helpful and well liked around the school district. His family was most important to him and he cared deeply for all of them. Rest in heaven brother. I'll leave a place for you at the breakfast club table in your memory. Peace.

Working in the same school district as Aldo. He would always see me in the hallway and always see how I was doing and my family. He has known me and my family for years and it is with a heavy to know this happened. I truly didn't want to believe this when I was told by three coworkers. My thoughts and prayers go out to the family and friends. Such a great person and will never be forgotten ❤️❤️💫
