“ Alex was a role model to me. We played a lot at the Rec together and he was always a great friend to me. I wish we could just play again one more time. I will remember all the positive memories at Leyden and at the Rec. Rest in Piece my brother, until we meet again.

“ *Praying for my second family the Herrera's. I wish I could be there for you all. Alex, I met you when you were only just a boy, I got to see you grow up to be this handsome young man. My last memory of us was at your sisters wedding. We were in the photo booth laughing taking silly pictures. We shared a laugh and it was one I will never forget. Alex, May your soul Rest In Peace.
