“ Condolences to the Acey family. What a wonderful person he was. Knew him most of my life and never saw him angry at any one. I still have the newspaper clipping photo of when Al coached our junior league basketball team and we were undefeated against some good maywood teams. I also bowled in a league with him although on different teams. May he rest in peace.

“ So sorry to hear that Al has passed away. He was a great friend when I was young and in the Navy. He used to loan me his Chevy Impala whenever I came home on leave. When I got out he took me around to try and get me on one of the Fire Departments in the area. (I finally did get on the Broadview PD). Rest in peace my friend. You were a great friend.

Great friend and mentor to my hubby of 56 years, and yes, I remember being picked up for a date on his beautiful Chevy Impala. You were loved and generous. RIP 🙏 for comfort of his family.

“ Mr Acey was a very nice man & good friend of my Dad's (Ralph D'Anza). They hung out together when they were young..before they got married. My Dad always spoke fondly of Al & said he had fun & great memories of him. Even when my Dad was ill & recuperating from surgery at Hines VA Hosp Rehab..Mr Acey & several of his friends came to visit & cheer my Dad up& our family really appreciated the visit.
