“ *My condolences to all the family. Uncle Fritz was a quiet, kind man who dearly loved his family. I don't think I ever heard him raise his voice in anger. He will be dearly missed but will now be united again with his loving wife, Aunt Dorothy in heaven. May the perpetual light shine upon him and may he Rest In Peace. 🙏 With love, Marie Vrlík (Wojtaszek)*

“ Fritz was my Uncle and I loved him very much. he was a great guy who served his country well in the armed services, upon arriving home Fritz was suffering from malaria and was having a rough time for a while, but overcame it and moved on. we had good times together visiting, seeing a few concerts, eating out and playing horseshoes. Fritz was very good at pitching a horse shoe always had that knack of putting two and a half turns on the horse shoe and it would fall on the stake most times. He would usually beat me. I think he let me win on occasion. Yes, he was a great guy who loved and was very proud of his children. I will surely miss him!

“ I enjoyed spending time with Fritz playing checkers and chess, watching westerns and discussing his time in the service. He was a very kind and gentle man who was easy to be around. I liked to cook for Fritz! He would tease me and tell me to make his Farina lumpy (because he knew I would make it nice and smooth). He also loved blueberry pancakes, salmon patties and bacon. I know he is happy to see his wife, parents and siblings again! I am sending hugs and comforting thoughts to his family! Love, Dawn
