“ *I will miss Angel forever, since he was a big part of my family. He loved photobombing my pictures, but here's one we actually took together. I will miss all our conversations, and getting his opinion on all sorts of topics. You'll live forever in my heart now. I'm so thankful for all the times we got to hang out last year, it's still hard to believe we'll never share another meal again or another get together.*

“ *I can't believe you're gone:(but I'm glad I got to meet you:) Angel was a big part of my teenage years. I looked up to him and wanted to dress like him. I was always amazed on how he styled his baseball hats and matched them with the outfits. He was always competitive and loved playing basketball video games! He had a laugh that I will never forget! You will be forever miss!!*
