“ *I am fortunate indeed to have known Angela. She was always a blessing to me. RIP dear one.*

“ *Ang was one of the kindest moms of all my friends. Noreen and I were together all the time. Noreen and I were pretty vivacious and active, Michele was more quiet and angelic. Mondays we'd all sit in the parlor and watch Payton Place. She was so organized and always did the little next right thing. Everything was always done. I could write a book on my good memories. She was my first hair client. I was 11 when I started giving her weekly combouts. I found out I had a nack with hair because of her praise. Xo to all forever. Mary Ann McCauley Dougherty*
