“ *My wife and I met Jim and Anita on our 10th Anniversary in 1998. We shared a bus trip through parts of Italy together. Despite our age differences we had a great time and a lot of laughs with those two and Anita's cousins (whose name we can't remember ... sorry). Last weekend (May 2021) I pulled out a yellow sheet of paper that Anita sent to us after we returned home to Maryland - it was Anita's "Authentic & Delicious Pasta gravy or SAUCE". We loved it and spoke about those two for days afterwards. I see that they have both passed but will live in our hearts (and recipe book) forever. RIP you two crazy "kids".
Love, Mark and Sharon Leizear from Maryland.*

“ Dear Jim and family,
What good memories I have of you and Anita over the years here at GWE. I remember how upset she was about your fall and how lovingly she cared for you through your progress. I remember the pep talks we had at those times you were so discouraged and thinking you weren't gaining ground and Anita always full of positive hope. I will miss seeing her big smile and straw hat at the pool. All the pool contests over "gravy" or "sauce" with "gravy" always winning of course!!

So it is with sympathy for you Jim, your family & friends and a heart full of love and memories, that I say "Goodbye Anita, fly now with the angels and look down on us ever so often".

“ Dear Jim and Family,

We were shocked and saddened to hear about Anita's passing. We have wonderful memories of our time spent together in Florida. We had some good laughs and both of you were wonderfully cordial hosts. Anita made a mean "gravy"(tomato sauce) and her homemade pasta was absolutely the best. Everyone loved her and we're positive that she is now in heaven. She, and you too Jim, will always be in our thoughts and prayers.

Please accept our sincerest sympathy,
Bob and Bev from Rhode Island

“ *My husband Anthony and I are deeply saddened of are dear friend Anita. It was very emotional bearing the loss of her. She was such a loving, caring person. It will take a long time for our hearts to smile again. We will always remember the good times and the laughter when we went to dinner with Jim and Anita. Anita would always say my husband looked like Rock Hudson and I would tell her Jim looked like Clint Eastwood. I was the luckiest person in the world to have the best friends in the world, Rochelle Maggio, Anita Coyne, Audrey Lazzaro, Ruth Salvo, Barb Ranieri, Elena Auriemma and Rose Petrella. They will always be in my heart forever until we all meet again. Anita was always the one to organize are luncheons with the girls. We had a lot of laughs, she was always designated driver. I will continue to pray for her and all my friends. We were all friends for over 60 years. May Jesus, Mary and Joseph always bless her and may God give the courage and strength to Jim, Annamarie, Craig, Samantha, Cassandra, Vanessa and Evan to go on with our hearts. She will be greatly missed. With our heartfelt sympathy. Tony and June Stellato and Family.*
