“ *Mrs. Montana was truly one of a kind. A very hard working, dedicated person who truly loved the Village of Schiller Park. I will always remember the wisdom and knowledge she shared not only to my family and I but to everyone around her. She was truly one of a kind and will be greatly missed by everyone that knew her. To the family I want to say, my family and I are truly sad for your loss. Thank you Anna and Joe for all you did for me and my family over the years. God Bless you both. Good bye Anna.

“ *Anna was my boss and more importantly, my friend. It was a privilege to work with her for many years. She loved her job and truly cared about her community. But she was a loving wife, mother and devoted grandmother. I saw her heart break when she lost Joe. So while we will miss her, she will be reunited with Joe for eternity. May she Rest In Peace.

“ Anna was a true inspiration for women and young girls. She could have lived comfortably and stress free but instead chose to become Mayor and give back to the Village and its residents. Bob had much respect and high esteem for Anna and they always seemed to find something to laugh about when we were together at special events. My sincere sympathy to her family. Madalyn Radak
