“ *Well, with the passing of "Aunt Annie" the elder generation of the Novotny family has come to an end. It is always sad when you lose someone as vibrant as Aunt Anne was.*

I can remember back to the days of yore, the New Years Day celebrations at 946. The many weddings, family parties, Christmas at Aunt Betty's and Uncles Frank's above the store at 5450. Those were the days. Unfortunately those days have come to a close.

I know that my Dad, cousin Bill, always had a special place in his heart for the Augustyn and Novotny clan. Dad would be filled with tears and compassion with the passing of cousin Ann, as I and my family are. We leave Anna L. Novotny and let her return to the arms of her spiritual maker. Aunt Anne, you will always be remembered and my you rest in eternal peace. God Bless.

*All of our love,
Bill and Kay Novotny
