“ I was a dear friend of Anna’s (Nina) for over 30 years. I would have been there honey but Darlene never told me about it. I found out through Debbie and Stella when it was over. We love you Nina. Larry and Victor.

“ *I'm at a loss for words, Nina. You were my heart and soul and always will be. You had one of the purest, loving hearts of anyone I'll ever know. And, I am so incredibly blessed that I had 37 years of your love. You made me a better person and touched the lives of everyone around you. Despite all the rough spots, never a complaint. I find comfort in the memories that we shared. And, more importantly I take comfort in the fact that you are free from all the pain and challenges you have endured. I know you'll b watching over us and we'll meet again one day. I will love you forever*

No words could ever tell you the depth of my sorrow for you right now ! Even though you were only Married a short while, you mentioned a 37 year relationship (best kept secret I think) . Your heart is breaking, but all of us that love you are sharing that heart break & trying to make it less painful for you ! Constant love, prayers, hugs, good vibes.....

What ever you need are with you now & always ! 💕💕💕

“ *Nina had such a beautiful soul! She was one of the few people I ever knew that everyone was always glad to see. She sang like an angel, was smarter than she gave herself credit for, and loved with her whole heart. Dar, I'm so glad you were with her when she left us. Dar, Stevie, and Karen, my sincere condolences and warmest thoughts. I hope the many good memories will stay with you forever.*
