“ *Russ shared his love for family, caring nature and expert accounting knowledge with everyone at Scheck & Siress. He started in 1983 as the father of John but quickly became the father figure that Mel, Bob, Alan, John and I sooo needed. Russ was thee Rock that kept us grounded as “boys” (as he would say) in the OP business. It took a few years but he later he’d say “men” I think you should consider this or that.... Always advising but never pushing. That’s the gentle man in him showing through!! The Scheck family model was the outcome of Russ’s impact on everyone he worked with. RIP my fatherly friend.
