“ *Aunt Carmie, I am so sorry to hear about Tony. My heart aches for you and Vincent. Please know you are all in our prayers and thoughts. I pray you find comfort in God's word and love. Tony is being held tightly in God's embrace. I wish there was more I could do to help ease your pain.*

My heart also aches for his sister's, Tess and Julie. When a sibling dies part of you dies with them, they are part of you and you are part of them!

“ *I had the privilege of knowing Tony Hudson for about 24 years. Tony often came to visit his Minnesota family (his dad Larry Hudson and sisters Tess Hamre and Julie Rice). He frequently would come for a few weeks staying with either his Dad or sister Julie and myself.*

In later years, most of our visits were via the phone. Tony was very proud of his 5 nieces and 1 nephew. He always asked about them when we talked on the phone.

I remember Tony for being a big Chicago sports fan – I can appreciate the Cubs and Blackhawks – I don't hold his love for the Bears against him. I am thrilled that he was able to see his beloved Cubs win the World Series.

Tony we will miss you!

He also loved the Italian fests in Melrose Park
