“ *Where can I start for such a 54 year remarkable relationship? How about when Tony's grandfather and my grandfather came from Trivigno, Italy to Melrose Park in approximately 1900? My father and Tony's father were good friends. As a young man Tony hung around with my cousin Danny DeGrazia and my uncle Joe DeAngelo. In 1966 I came on the police department and we were immediate friends, friends for the next 54 years. A week did not go by without us having coffee together or speaking to each other. In his later years I would meet him for coffee, and afterwards walk him to his car to fold the walker and put it into his trunk. He would hug me and tell me to be careful and stay calm. Many people told me the same thing, but looking in his eyes I knew he meant it. It was like my father speaking to me. I don't know how many years I have left, but I can tell you I will think about Tony every day until I die. Hopefully someday we'll be together again, having coffee and talking about the Cubs.*  
*Love you, Tony*  
*Your pal,*

“ Our sincere condolences to Aunt Marie, Terry, Denise, Bethann and all the grandkids and great grandkids.

We will miss Uncle Anthony, when he was well he always had time to stop by and chat or just honk his horn as he was passing by. We will always remember those times. I remember a time when I expressed my gratitude to “Unc” for spending so much time with my father in law Midge during his hardest times. Unc responded : YO! As he hit me in my arm and said : Do you realize who your talking to? That’s my brother.. you don’t have to say thank you.. that’s my brother and I love all my brothers.!! It was such a sweet moment.

Again.. we are so sorry for your loss.

Love you all.

Joey, Michelle, Briana, Ashley, Dominick, Chris, Naserine, Nicolas, Nadia, Joey, Sally and kids❤️
