“ *We are very sorry that you had to leave this world so soon! Our lasting memory of you is the happiness we shared together playing a game of 31 with you before you left this world! We'll be ready with a deck of Five Crowns in hand when we meet again! God has a better plan for you and as sad as it may be, we find peace in our hearts knowing you are not in pain anymore. We are here for you June and Harley and always know that Tony will be with you, your angel forever watching over you my dear sister!  
Au revoir Tony!  
Love you forever, Pat & Frank (Maggie too)*

“ Tony was always a loving and giving man, he was a wonderful person to me and I will always cherish the box of kitties he gave me. My heart hurts for his family and their loss.
