“ We are so sad to hear of the passing of Tony. Some of my best childhood memories were playing in Aunt Mary's basement and seeing Tony. I pray for comfort for the family.

“ *Many good memories remain with me and my family when thinking of Cumpa Tony. As I kid I fondly remember the food, fun and laughter of days together whenever visiting the Pones Family in Chicago - it was always joyful, loving and most of all a sense of happiness that made a young kid always want to go from Toronto to Chicago at every opportunity. It saddened me to hear of my Cumpari Tony passing and would like to wish the entire Pones family strength and courage at this time of immense loss.*

Love Always

“ We are so saddened to hear about our cousin Anthony's passing. He was bigger than life. I met him and all our Chicago cousins for the first time when I was 16 years old. Throughout the years, we would visit each other and it was always wonderful and memorable. We will miss Anthony very much and our hearts and prayers are with Judy and the whole family.
