“ I am very sorry for the passing of Rusty. No doubt he will be missed by many, many people! Everytime anybody would run into him it was like an event; you would always laugh and walk away smiling! When my now deceased sister Anita Coyne and her husband Jim were facing some really tough times he traveled way out of his way to see them and in his own special way that only Rusty could do, lifted their spirits! And I will never forget that. He never forgot his old friends.
