“ Tony and I go back to the third grade at Sumner grade school. Grew up in the neighborhood of Karlov and Lexington in Chicago. Many of the guys are gone now but always close to my heart. Tony say hello to the guys for me, you like them will be missed.

“ I worked with Tony at the airport for the last couple of years. On my first day, he kind of took me under his wing and showed me the ropes, and from then on we were pals. I always enjoyed talking to him and listening to his many stories. He will be sorely missed.
