“ *She was a doll, very genuine and sincere. That big smile. So young. I am so sorry for your loss.*

“ *I'm friends with April's brother Alex and his wife Beth. I met April only in passing a few times. Two things that I took away from my encounters is she had a radiance and warmth about her, and her smile could light up a room. I'm so sorry to hear of her passing. The Orona and Moctezuma families are in my thoughts and prayers during this difficult time.*

“ If I could describe my memories of April in a few words it would be this: April's heart was sincere and loving. If you knew her for a moment you felt you had always known her. She was kind with a pureness and loving to others as if you were family. I will miss you April!

“ I met April at your Christmas Party last year. She was amazingly beautiful, with a radiant smile. I remember she welcomed me and family, and made us feel like we knew each other for a lifetime. May her spirit stay alive forever. I know she will be truly missed.

“ FROM SHARON SHAW: Debbie, I remember meeting April when you brought her to work and introduced her (showed her off) to everyone. I remember thinking what a beautiful, engaging woman with a gorgeous smile and beautiful long hair. I spent only a few moments with her but I have never forgotten her or the time we shared. I could tell she thought you were "Tops". I love you, Deb, and I wanted you to know how blessed I am to have met your lovely daughter. Jay and I are praying for you and your family.

“ Mary Ann Torres thinking about someone special.
January 4 at 10:20am ·

On Jan. 3rd my heart was crying and was in complete shock when I heard of the loss a very special young lady, April Orona. I know she wasn't my true blood niece but April Always called me Titi Mary and she will always be my niece. She was one of the happiest, most energetic person I knew. She always made you feel welcome and part of her family. She loved family and children. Especially (Enzo, Dominic, Christina, Jade.) April had respect for everyone that she she would meet. April had this big smile that if you seen it, it was contagious. She had big dreams of spending her life with her love, Alex Moctezuma. Many Prayers and thought for Aprils and her family. May God ease their pain through this difficult time. (Yvette Rodriguez Philip Orona Alex Orona Kathy Orona Randy Orona Beth Orona and children.) I loved and will miss April forever.
