“ *She was welcomed into Heaven by an army of family. Say HI to my Mom and Sandy too. I'm sure Matt was waiting at the Gate. My Cousin, my friend, I will miss our conversations and sharing of antics of our grandchildren. Know that you are loved and will be missed greatly. Love you.*

We were good friends in Chicago growing up but then my family moved to the suburbs and even thou we didn't see each other we were still friends. Years later we became friends on facebook again. We will always be friends. Miss you and love you.

My Condolences to the Alec and Bilbrey families. I went to HS with Barbara and Linda. Many times I was by their house on Nelson with Mom and Grandma at the kitchen table. Even had a crush on Billy. We lost touch . I heard of this in the neighbors magazine. Again my sincere condolences.
