“ Anna, Pete and the entire Coglianesse family; my heart is broken for you all on the loss of your mother. She was like 2nd mother to me. I remember vividly when your family moved in next door to us! All the lunches we ate at your house because my mother was working, your dad working in the basement after he retired and your mom cooking down there with the wonderful smells of the great Italian recipes she had. Anna and I had some wild times running back and forth between our houses! So many great times; I will always cherish my memories of Mrs. Coglianesse, she was a beautiful person! R.I.P. Barbara, give my parents a hug from us, until we meet again! 😭💔🙏
