“ We painted the town red multiple times. We been up and down together. You had my back and I had yours. I will never forget you little brother. I had good memories of you starting when we were little. You were my partner and crime. We did a lot of things together and I know you wouldn't want me to just stop. The show must go on and I will on doing the things we use to do in honor of you. I miss you and I love you BENJI 4 EVER!

“ Benji, you are also my partner in crime. The last days I spent with you will forever live in my heart and mind. I already miss you dearly. I vow to never ever forget you. There is no one in this world like you. Say hi to Papa and give him a big hug for me. Save a little spot for me in heaven. Until we see each other again some day my little brother. Two thumbs up for you. 👍👍
