“ *Michael, so sorry to hear of your loss. Mom stood up for my wedding, had lots of great times together with our bunch of girl friends in the ole neighborhood, used to sit out by her house on the stairs and all of us girls would just talk and talk and talk. She loved you so much and remember her always talking about you. She is in a better place and is with the Lord, angels have lifted her up . God Bless You.*

“ Dear Michael and Family,
What fun we had on the many cruises in the Caribbean, but the best and greatest memory was our tour of Ireland with the seniors from Des Plaines and then to Bermuda with the same group. There are still smiles and fond memories thanks to your Mom, Bernie. All our love, Grace and George Donlin

“ Some of our best travel memories were spent with Bernie! She was the life of the party and never turned down a drink or a reason not to be in the casino. She will be sorely missed and Heaven has received another Angel. To the Dolce Family, our son in law Mike, our daughter Krista and all of the grandkids, Nina, Mikey, Nicky and Ariana, we love you very much and want you to know we are with you in spirit. We are all so sorry for this loss.
