“ *I'm so sorry for y'all loss! I feel so awful for y'all. I truly wish I had gotten to meet you Bobbie. I feel like I got to know you some through your brother Scott, he talked about you and told me story's about growing up and the things you taught him. I pray for the family, your brother, yours kids, grandkids and all who love you. I pray they can find some peace in this time of grief and pain and carry on with your legacy of love! I think we would have been friends as I've heard from Scott all the stories and tale's he speaks of you with love. Bless y'all, with all my heart Marie Moore*
