“ Dear Mrs. Dalitto.....I want to thank you so much for your love and hospitality over the last 50 years. I could write a book about all the wonderful experiences we shared. Two events that stand out in my mind is you hosting my parents 25th Anniversary party at your home in 1975. I still don't know how you organized the party in such a short time. Also.....you always had a dinner plate set at your kitchen table for me. I always ate at 500 at my house. Then several times a week I would tell my parents I'm going to visit Nick. My dad would say"are you going to the Dalittos". I would say yes and he would say"I bet Mrs. Dalitto is making her famous gravy and meatballs. He would say " have a nice second dinner". You were such a free spirit and so genuine to me. I will never forget your special"Acts of Kindness that you expressed to me. In closing.....I'm heartbroken that Ill never see you on Earth but I look forward to our reunion in Heaven some day. I will miss your smile and your kindness. God took a wonderful person into his Kingdom. I love you dearly. Love
Jerry Pavone

“ Dalitto Family - So sorry for your loss of this special lady. We have so many great memories of the Chicago visits over the years and being with Sis, Minnie, our mother Josey, Grandma Helen and you all. There is definitely one more angel upstairs watching over you all. Love from the Texas Risings.

“ Some people knew my grandmother as “Sis” but most of us called her Geema. She was not only my Geema, but a grandmother to so so many. Geema was the best role model in my life and I hope to become half the mother she was. There is not a single person who did not love her. I will miss her every single day of my life and nothing will ever be the same. Geema, thank you for every single thing you have ever done for me. I love you!
