“ Kenny, Diane, Jimmy and Diane, I am so sorry about the passing of your dear mother. We have a lot of memories that go way back with all the stuff we used to do years ago and when Auntie Ethel was here the fun we all had together. Your mom was the sweetest and she was so happy that day I went to see her at lunchtime. I know she is holding Johnny in her arms right now and the both of them will be the guardian angel to all of you and your spouses and your children. God Bless all of you and may the memories give you comfort.

Love you all,

I work with Diane and she shared such touching stories of her Mother that always made us smile. So sorry Diane to you and family for your loss. I feel like I know her a little from all the great stories Diane shared.

*Kenny, Diane, Jimmy and Donna,
We are so sorry to hear about your mom passing away. It is so hard to lose a parent at any age. Our parents generation was a generation like no other. I am so glad my mom and I came to see your mom not too long ago. Your mom was in great spirits and so welcoming. She was a wonderful friend to my mother and a second set of eyes on us Biscan kids as we hung out on 22 street. She will truly be missed. We are praying that God will comfort you during this difficult time.
Love: Rosalie, Tom, Sandy, Ron, Francine and family*
