“ *I lost my Mother-in-law way too soon, and her passing has been a shock. But through this hard time, we see how grief brings unity and a stronger love with family and friends.*

Christina, you embraced me as your son-in-law, and you will be missed. I am sad that you will not be here to see your grandchildren grow up, your Children's accomplishments, and your growing love with your husband.

You will be missed. We will always love you and miss you.
