“ *Mamá you are the strongest person I've ever known. Through countless surgeries, you never gave up. Till the very end, you fought to give us a few more days beside you. I'm proud that your blood runs through my veins! I now know why you used to always yell at us that we have to get along, you were preparing us for this moment. We now have each other to lean on. You left a void in my heart, that will forever be vacant. I will miss our friday grocery shopping trips, than having lunch after to tell you about my week. You listened than gave advice. Always ready with your quick wit, and never any filter. What I wouldn't give to hear you give me one last regañada. I never knew how much letting you go would hurt, but you are no longer in pain and I am at peace with that. I thank you for loving me, Joaquin, and Vidalia. I promise to keep your spirit alive within them. Te quiero por siempre tu vibora!*
