“ *Sis was, & always will be a part of the Pionto family. Both of our parents loved her, as we all did. Many,many fond memories of growing up with her, & then with our own families. Truly a great lady. Always had an honest opinion, just like our Dad did. Everyone in our family loved that about her & our Dad! One of the great ladies from that era. Sis will always be in our hearts.*

& all of our family*
