“ *I am so sorry for Connie's passing. I have such fond memories of her growing up. My Auntie Millie was a dear friend of Connie's and I remember going to her house for family gatherings. She always made us feel welcome and part of the family. She was full of life! She will be missed.*

Love you Connie, rest in peace!

“ I'm so very sorry to hear this sad news. The longer we have them, the harder it is to say goodbye. 😔😭💔
I met "Aunt Connie" through the Testa Family. She was a wonderful, sweet & feisty woman. We always had a lot of fun cooking, baking and visiting together. It only took one meeting to fall in love with and enjoy her company. I will forever remember her fondly and miss her deeply. She will always have a Special place in my heart. ❤️
God gained another Angel in his Garden. May you RIP in Heaven with all your loved ones who passed before you. 🙏🌹
My Deepest Condolences To Connie's Family And Friends During This Most Difficult Time.
