“ *I am so sorry to hear of Corrine's passing. She was such a "bright heart"! Besides marrying her cousin Bobby, I went to school with her. She would always say, "I'm crazy about Dave and I'm going to marry him"! And she did! I don't have to tell all she meant to so many people! I have her bright warmth tucked in my heart!... with much sympathy,*

“ *Mr. Principe, Dina, and Jimmy,*

I am so sorry to hear about your wife and mom. I have fond memories of high school carpooling with the Principe's and it was always apparent how much Corrine adored her family, and she was always so kind to all of us.

Prayers to each of you and I hope your memories bring you comfort and peace.

“ Living right next door on 8th Avenue in Maywood was the most wonderful person I have ever met in my life of 70 years. Corinne was my Baby-sitter and Guardian Angel from the time I was an infant until I was ready for kindergarten @ nearby Lincoln School. She was a big Chicago Cub fan and entertained me and my brother Paul with daily stories about our favorite players. She was so warm & caring even from her early teens. I followed in her footsteps to Proviso East high where she had graduated several years ahead of me. She helped my Mama Nancy Pytel and they appeared to resemble two Italian sisters from a time long past.... from loving Families. She would bring us treats left over from her brother's catering truck and we gobbled them right up. Several years ago my late brother Paul drove myself and my sons Michael & Eric to visit her family's booth @ the Italian Feast in Melrose Park....She was a very religious person and paid respects at the funerals of my parents Joseph Sr. & Nancy Pytel. I am comforted to know God has a special place in Heaven for Corinne amongst her relatives & friends. Prayers & Blessings for her Family from the Family ofJoseph L. Pytel Jr.

She shared her incredible faith in God freely sending cards and inspiration to me and many friends whenever she learned we were in need. I feel so lucky to have known Corinne since our high school days at Proviso East. I pray God's love and blessings enfold Corinne and her family. Gini (Nergaard-Gehr) Valentino

“ *Corinne, my cousin. To mention all the reasons I will miss you are far to many to recall here & now. You were a pillar of strength and genuinely loved and cared for all you encountered in your life. You bravely and without hesitation took on any challenge, with an energy and determination rarely witnessed, that life threw at you and usually conquered them all. You were a fiercely loyal and protective entity to all of your loved ones, and truly reveled in all of their successes and happiness no matter how big or small. To know you was to know that you had the backs of all you knew no matter the circumstances. I will cherish all the times we cooked and laughed together or just spent time together, and just chatted over coffee. Christmas at Dina's will never be the same. No one could have been prouder of, or championed the achievements and wins of her children, siblings, and other family members and friends. You worked tirelessly to make others happy and that will always be remembered by all. Thank you for your love, laughs and caring. Rest in peace now. Love, your cousin, Deb Pernice*

I went to high-school with Corinne but didn't get to really know her until we worked together planning our class reunions. She was a force to be reckoned with. So much energy, creativity, and love went into all that she did. I pray God gives her family the strength to get through this loss. Corinne is at peace, no more illness. She fought a great fight. My condolences to Dave and family. Love and hugs to all of you.

Cor (nicknamed Scoots) by Sol Cariello because he said she was always running to do something and never walked.
