“ Angel, I am so sorry to hear about Curt. I’m also sorry I can’t offer my condolences in person. I worked with Curt for many years at Tech Center and Lincoln Centre and enjoyed our times together, whether work related or golfing. He was a great person, who loved his family and will be missed. I know how hard this must be for you and your memories will keep him alive in your heart forever. Praying for your family to get through the days ahead.

*Angel and Family,
We are so sorry to hear about Curt's passing. We just returned from out of town when we heard your voice mail this morning. Curt was a great person. He was one of the first people to show me the ComEd way of doing things. I will be forever grateful! Not only was he a great co-worker, but also a good friend along with you to Sandy and I. We will miss him! Give our love to Brian, Nicole and Lauren.*
