“ *Uncle Danny, Im sorry I never got to meet you, or know you. I would of loved to of watched a Bears game with you and gotten to laugh with you. I have faith that you have a huge hug waiting for me one day when I get to heaven. God bless you my Uncle!*

“ *Uncle Danny we will miss you so much. Im glad you were near us for so many years. David looked up to you like a father and he will miss you so much. Jr misses throwing the ball with you and Destiny misses the great conversations you both had. Rest in peace Danny.*
