“ *My deepest sympathy for your loss. Dave recently joined our company. Although I only had brief conversations with him walking through our hallways, I could tell he was a great guy (which you can easily tell by his big smile in his picture). Dave, Bridget and the family will be in our thoughts and prayers.*

“ *There are no words to explain this tragedy and I cannot even imagine how Bridget and Dave's family must feel right now. However, I am glad that both of them could share these last couple of years with happiness and incredible love that they had for each other. Their beautiful love story will always stay in my memories.*

“ *I worked with Dave at DePaul, we hit it off right away, I've heard of the Chicago accent before but being born and raised on the "nort" side I never heard it more prominent than in Dave!! Since we went our separate ways from DePaul we didn't keep in touch as many co-workers do, but when we did message each other it was like old times!! I'm sorry for your Loss Majer family. Dave was a good guy and gone way too soon!!*
