“ I am sad to hear of Debbi's passing. She was my manager at Hollywood video back about at least 20 or more years ago and although I was a hot head 20 year old, and we battled daily 🤪 , she pushed me very hard and shaped a huge part of me. She loved guns and roses and was tough, hardworking, and extremely passionate about everything she did. She made an indelible impression on me and maybe it's because she saw my potential, which is amazing for anyone to take the time to do and it paid off. I wish her family the best and of course my condolences at this difficult time....

Sincerely,
Nicole M
