“ *A very kind of person a person always had a good word for everybody in a very funny guy going to miss you Dennis*

“ *I just found out today that we lost a really cool man. Although I haven't seen Dennis in about 40 years, I have wonderful memories of him from our teens. It was Dennis, Stan Shultz and myself bowling as much as we could together, from Super Bowl to Town & Country bowl, we had many years of laughter and hijinks together. I think the last time I saw him was at a Disco Club. I believe it was there that I met his future wife Rena. Every time Dennis would go there the girls would line up to dance with him. He was our own John Travolta!*

I will forever have wonderful memories of Dennis.

“ Dear Renee & Family,

*Please accept my deepest sympathy . Dennis was a great person & a loyal friend. He always made me laugh & was usually the highlight of my day at work. I will miss him & always remember the fun times with him & also what he told me on my last day; He said " if you need anything at all, just call me, anything at all" and that is the wonderful person that he was to me. I will never forget his extreme kindness.
All the best to you & your family.*

“ *I got to know Dennis really well when I joined his bowling team in 1992. Prior to then, I knew of him only as Frank's brother. We had seventeen years together on Wednesday nights. He and I had so many laughs together through bowling, golf trips, and dinners. His sense of humor was the best. He was my partner in golf matches with Frank and Tom Porter. I can't stop thinking about these moments The four of us made some great memories on these golf trips. Dennis and I became like brothers and I will miss him so much. My heart goes out to his family and friends.
Sorrowfully, "Uncle" Jim from Arizona.*
