“ *Dennis was my first cousin and a very special person. His life was short, but full of people who knew and loved him for his gentleness and friendship. My hope is that Dennis can rest in peace and enjoy eternity with those who loved you and preceded. I am sure his Mom and Dad had opened arms and he ran to them. I wish there was a memorial mass in his honor. Dennis, please know you were special and loved and will be missed. I smile and remember the antics and the trouble that Dennis and Anthony (who lived next door) got into as little boys.. I look forward to seeing other memories of Dennis on this website.*
