Dennis's family and my family (The Manion Family) were from the same neighborhood. I also knew Dennis while attending Lincoln School. My heart is heavy with sorrow by this news. Healing thoughts and prayers for Dennis's family and friends.

I was a Lincoln classmate and a friend of Dennis. We grew up and had great times in the 70's and 80's. I mention other Lincoln boys I hung with during this time, Jim, Chuck, Joe, John, Larry, Greg, Greg, Greg and Frank. I know I have missed some, but you know who you are. Dennis was our foundation !!!

Whenever we got in a conflict with others, like Irving school boys, I would say "let me introduce you to my friend Dennis" and our issues went away. I considered Dennis as a brother just like the other 7 in my family. Even though I hadn't seen Dennis in a few years, i treasure the recent phone conversations we had to catch up with our lives, The 70's and 80's was a great era growing up, which I would never trade. We all had each others back and I will truly miss Dennis.

My thoughts and prayers are with the entire Teresi family and shocked and saddened on the news for Dennis's passing. May he rest in peace.

My thoughts and prayers are with you. After a near death experience with my own son, I only can imagine the hurt and loss you feel after losing 2 sons so close together. May God bless you and see you through these most difficult times.
