“ *I am so very lost right now, but I have such fond memories of all of us " Nava " kids growing up together, we didn't have a lot of money, but we had so much love. My dear sister, I will always have the memories of you and I laughing and getting into trouble, especially when we were together around Bob. You will remain in my heart for ever. You fought bravely, and kept God in your heart. I will always be here for your daughter. Rest in Peace, I love you, until we meet again.*
