“ *To Joe, Carla, Anna, Danielle & Carm.....Words cannot explain the feeling of loss we have in my heart for all of you today. Do not look forward to what might happen tomorrow; for the same everlasting Father, who cares for you today will take care of you tomorrow and every day. Either He will shield you from suffering, or He will give you unfailing strength to bear it. Be at Peace and put aside all anxious thoughts and imaginations. Hope and believe you'll be together again. Love to you all.*

“ *Diane, you will be missed more than anything in this world. I loved your kindness, compassionate and loving personality. It seemed like you could find the good in most and not judge. My granddaughter Arianna loved you just as I know your grandson will love you. I will make sure that Baby Sabino knows of you and what you were all about. It will never be the same but you will be in my heart thoughts and prayers forever. I will watch over you daughter as if she were my own. God Bless you until we meet again.*
