“ *I am sorry for your loss. Mrs. Hoggatt was my Girl Scout leader. She was a great leader, and I enjoyed my Girl Scout years. I have great memories from that time and a memorable trip we took to Washington.*

“ *I started my friendship with Dolly in high school. A better friend I never had. Her family was my second family. We remained friends all these years and continued to spend time together often. I loved her like the sister she became to me. I will miss her.*

“ Dolly was such a kind sweet lady. Our family lived right up the street from her for many years in Melrose Park. We enjoyed being neighbors with the Hoggatt family. We always enjoyed the decorations for each holiday that she and Jack would display in front of their home. I also had the privilege of working with her at Melrose Savings and Loan years back. I will never forget all the fun pool parties she had at her home for the bank employees and her signature cocktail drink she would always make for us called strip & go naked (Beer,vodka and lemonade?). She was a lot of fun and I always admired her quick witted personality we had many laughs. You will be missed Dolly!! My sincere condolences to Steve, Kathy & Mike.
