“ *My Condolences to Don's family. I remember Don from IC High. He was quiet but friendly. A few years ago, he received a fake email supposed to be from me that I was in trouble and needed money. He was worried and sent \$200. I found out about it from his friend John Van Der Molen. How kind it was to try to help me, even if it was not for real. I thanked him for his kindness.  
God rest his soul. Warmly with prayers, Mary Devereux Gisch*

“ *Our condolences To Don's relatives. I was glad to be able to remain friends with Don over the years. He always liked my reports of conditions at the Dells property. He was a kind person and will be missed by all who knew him. May he rest in peace.*
