“ My deepest condolences and sympathy to the family. I loved Don . A good firefighter that loved his job. Not abad cook either.He called me Papa . He was generous as the day is long. A laugh that would shake the room and make others laugh and smile. A heart as big as the moon. I love and miss him but will never forget him .

“ Don was a hilarious guy. He was my co-worker at the Fire Department. We shared many laughs together and some ups and downs. When Don was down, he would look to me as one of the guys to lift him up and he would say "Thanks Jim" I said no need Don I'm here for you. Always humble.. he was. J Rob
