“ Sue - I am stunned and saddened by this news. My heart goes out to you and your family. Don and I started the same year at PB, so many years ago. I remember those times like they were yesterday. He will be missed by many.

“ Don has always been a good friend an mentor. We had spent countless hours on some of the most challenging equipment we had to offer. But he always brought a sense of humor that made it a little easier.  
My condolences to all and may he RIP.

“ I am so very sorry for your loss. Don was a great guy. My favorite memory of him was when Valerie kept calling the pheasant toy a duck and he kept telling her it was a pheasant. They went back and forth so many times and everyone had so many laughs over it. He will truly be missed.

“ Susie, Kevin, Kristin & family, I am at a loss for words! Like my sister mentioned , Don was talking about all of you ( grandkids included) with a smile on his face last Tuesday ! That’s what I will remember...I am so very sorry for your loss . I hope all your memories bring you some comfort at this time. Hugs to all of you!

“ Susie... I was so shocked to hear the news of Dons passing. I talked to him in length on Tuesday. He was in such a great mood. He was telling Julie and I all about the little cars he would buy for his Grandson. He would hide some of them for another day. He was talking about you and how he remembered getting you flowers from Amlings on your wedding day. I thought that day what a very lucky woman you were to marry such a romantic, loving, genuine, patient, and compassionate man. He always talked about how much he loved you Susie. I could not believe it was exactly 1 year from Johns wake that his soul entered heaven. We loved when he would visit. He was so much like John with his collectibles. He said he would cherish Johns items forever. I will truly miss him Susie. I love you both so much. He took a call from your daughter while he was here and his face just lit up. He then had us say hi to your grandsons. Don cherished his family so much. I am so proud to say that I knew him and you for such a long time. I’m so very sorry Susie. His memory will live with me forever. Condolences to your whole family. May Don meet up with John and may they talk endlessly about their favorite hobby. Love and prayers to you Susie and your beautiful family. Love, Laurie

*Sue, Kevin and Kristin...I am so sorry for your loss in addition to ours also. I truly missed talking or saying hi to Don in the morning when heading into the school daily. Even when the school closed it was always a pleasure to say hi to him wherever we were at. I remember Don bringing over a bagel to my classroom on a Sunday during parent/teacher conferences...he was awesome. He will be missed dearly. The memories of Don need to continue on with his grandchildren. Don was so devoted to his family and his faith that he proved at Sacred Heart, with the Holy Name Society. I learned not to sit by Don at Parish Council Meetings because we always laughed and usually got caught...great memories. You have all gained an angel. He will ALWAYS be with all of you! ❤️🙏*
