“ The one thing that stands out to me about Don above all else is that he was a *TRUE* gentleman. I cherish the times that we had with him even though they were few and far between because of his health. He was such a sweet, kind, loving man and he wore his pride for his family like armor. You could see the pride in his face when he was with Suzie and the boys, his love for them radiated in his sweet smile. My prayers are with all of you during this difficult time.

Donald was my older cousin and he was a great guy. I have such wonderful memories of him taking us to the North side to go to the restaurants. I was always "Bananies" to him. I can't even remember a time he called me by my name! He was a wonderful husband and father. He loved his family very much. I have been sharing some stories with my son and husband about Donald. So many good times. I remember him coming home from service and surprising everyone. I think it was a Sunday and we were all having dinner. That was a good day.

Thank you for your service. Rest in Peace my cousin..May Our Lord the Great Comforter surround your family with peace. Love and blessings.
