“ I am so sorry to learn this news. Don was a major force when he worked for me in my catering business, mostly in the '80's, and I could always count on his smile and his calm demeanor - especially if something was not going quite right, that look would tell me all I needed to know! So many memories and stories come to mind. He will never be forgotten.

To his family, I wish you all the peace and comfort to be found in happy memories .
