“ *Mike, Megan & Debra - we extend our deepest sympathies and condolences to you and your family. My earliest memories of Mrs. Barnish were when she was my gym teacher and then, of course, singing in the choir and as a cantor. She is deeply missed and will never be forgotten, as she lives on in the hearts and minds of her family and all who loved her. All our love and hugs to you. ❤️ Kim Graaff and Family*

Mike, Megan, and Debra – We hold your family in our thoughts and prayers and wish you peace and comfort through this difficult journey.

Donna is a special soul who touched many lives and added so much to my life since kindergarten - I will always remember our many years of friendship and laughter. She may have left our earthly lives but lives on in our hearts and memories.

We have planted a tree as a living memorial and donated to the Girl Scouts in celebration of Donna's life so beautifully lived, and you should be hearing from them soon.

To Donna - 'til we meet again, my good friend, God has you in his keeping and we hold you in our hearts.

“ *Mike, Megan, and Debra we are so sorry about the loss of your mom, and wife. She was a wonderful person and friend. She always made us smile whenever we were together. The Northwestern games with Biff, Karla, and you and Mike were so much fun. Great memories not only of football games but also basketball and hockey. Her voice was so beautiful that we will never forget it. Remembering how much she enjoyed life is a beautiful memory we have. It seemed like she was always helping others no matter what they needed. You are in our thoughts and prayers. Love Biff and Laura.*
