“ *Dywayne was my treasured friend & brother in spirit for more than 30 years. He was my protector, my allie, my partner in crime & one of the best guys I've ever known. He never failed to put a smile on my face and the laughter we shared will live in my heart forevermore.*

I will miss you, Dee, and I'm so glad I told you so often that I love you, because I know you left this world knowing with all your heart how much I truly did. Our little circle has diminished with your loss, but the wonderful memories we shared are infinite.
